"Under Construction" group

EXIT

**Opening Thursday 18 June 2009, 8.00pm
Zoumboulakis Galleries, 20 Kolonaki Square, Athens, Greece**

"Since this was repeated for a few days, I became so furious, so resentful of the repetition that I decided to take the way back. My discovery was not remarkable, yet it was unusual; for I had discovered that repetition did not exist at all and I had confirmed this by repeating it from every possible angle.

Within the framework of ZONE D the group "Under Construction" creates at Zoumboulakis Galleries a repetitive, sequential and orderly environment, where the "stoppage" of time within it signifies the moment of exit.
